The AC-DC power modules provide power output up to 800W. Compact and fully encapsulated plastic packages with built-in heat dissipation substrates, they are ideal for applications in ...

The Soetek Switch Mode Power Supply is a highly integrated outdoor 5G micro base station power supply system, it combines AC input power distribution, lightning protection, switching ...

It is specially designed for bidirectional applications in battery energy storage systems with multiple battery groups in parallel to achieve safety isolation and flexible capacity expansion. It ...

Explore our high-efficiency DC/DC power modules, delivering high-performance and highly reliable power management solutions for a wide ...

The Soetek Switch Mode Power Supply is a highly integrated outdoor 5G micro base station power supply system, it combines AC input power ...

Comprehensive range of AC DC power module supplies with detailed specifications, including wattage, efficiency, and protection features.

TDK-Lambda is a global supplier of PCB mount AC-DC power modules with baseplate construction for conduction cooling and harsh environment.

AC POWER BASE is a high-performance AC->DC Buck Converter Module, supports AC 100 ~ 230V input. Through the internal buck module, the Base offers a reliable output DC 5V and DC ...

Explore our high-efficiency DC/DC power modules, delivering high-performance and highly reliable power management solutions for a wide range of applications, including industrial, ...

Samlex switching power supplies are highly efficient, lightweight and compact. AC-DC power supply units available in 120V, 240V or Universal ...

Power Supplies for Two-Way Radio Base Station installations. In Stock, Ready to Ship!

AC POWER BASE is a high-performance AC->DC Buck Converter Module, supports AC 100 ~ 230V input. Through the internal buck module, the ...

Delta offers a broad range of standard off-the-shelf DC/DC and AC/DC products ranging from 1W to 3000W, covering all popular requirements for various applications.

Samlex switching power supplies are highly efficient, lightweight and compact. AC-DC power supply units available in 120V, 240V or Universal AC input for global use.
