What is a curtain wall system?

Curtain wall systems are non-structural systems for the external walls of buildings. As a global leader in curtain wall system manufacturing, Kawneer engineers a comprehensive range of curtain wall systems available in traditional stick fabrication and unitized options.

Does Kawneer manufacture curtain wall systems?

As a global leader in curtain wall system manufacturing, Kawneer engineers a comprehensive range of curtain wall systems available in traditional stick fabrication and unitized options. Stick-build curtain wall systems are assembled and glazed in the field with inside or outside glazing options.

What is a unitized curtain wall system?

Unitized curtain wall systems, assembled and glazed in the shop environment, offer the advantage of faster installation, improved product quality and lower installation costs. Kawneer's curtain wall systems are engineered to meet the highest standards of performance, design and sustainability.
