Chinese-based wind turbine and battery maker Envision Energy has announced its first major deal in Australia, teaming up with Italy's Fera to build a "first of its kind" wind and battery ...

China's Trina Solar has received the green light to build a 500MW/1,000MWh battery energy storage system (BESS) in Victoria, Australia.

A major green energy investor will bring some of the world's most powerful batteries, which could run for twice as long as today's biggest systems, to Australia.

Edify Energy said the 185 MW / 370 MWh Koorangie battery energy storage system in northwest Victoria has started exporting to the grid with hold point testing now ...

A major green energy investor will bring some of the world's most powerful batteries, which could run for twice as long as today's ...

Reports indicate that solar battery systems are now more prevalent than backyard swimming pools in Australia. Local media has noted that the demand is so high that ...

Sigenergy offers home battery storage, residential ESS, and commercial solar solutions. Explore our innovative energy storage systems for sustainable power management.

China's Trina Solar has received the green light to build a 500MW/1,000MWh battery energy storage system (BESS) in Victoria, ...

Victoria's clean energy transition is accelerating with the approval of a \$453 million Battery Energy Storage

System (BESS) in north-east Victoria, backed by leading Chinese firm ...

Alongside the solar PV power plant, the project proposal includes a co-located 250MW/1,000MW battery system that would provide additional grid stability services during ...

A revamp of China's electricity market is boosting the economics of storing power just as international demand surges.

Chinese-based wind turbine and battery maker Envision Energy has announced its first major deal in Australia, teaming up with Italy's Fera to ...

The battery will soak up and store cheap renewable energy during the day and pump it back into the grid at times of peak demand - enough to power up to 172,000 Victorian ...
