Why did you choose collectivesun?

It was a genuine pleasure to work with CollectiveSun to make the switch to solar energy which will allow us to expand the vision of our church. Their expertise, professionalism, and knowledge of the industry were invaluable in making our switch to solar energy easy and affordable.

Who is collectivesun?

With over ten years of experience working with nonprofit and tax exempt organizations across the country, CollectiveSun has a track record we are proud to share. We partnered with CollectiveSun to finance the solar project because of their unique skills and expertise in working with nonprofits.

How can collectivesun help nonprofits?

Connect With Us! We engage values-aligned capital to address social and environmental challenges. Promoting a vibrant and financially sustainable nonprofit ecosystem builds stronger communities and a more robust social fabric. CollectiveSun helps make solar for nonprofits a reality!

Should I invest in collectivesun?

I would absolutely recommend working with CollectiveSun to any church, nonprofit, or ministry seeking to go solar. The benefit of offering an investment is that many individuals who may not be considering donations now, have another pathway to support our organization.
