qualityResponsibilities in the electricity sectorRenewable energy resourcesTariffs and subsidiesPrior to the 1990s reform, the Dominican power sector was in the hands of the state-owned, vertically-integrated Corporación Dominicana de Electricidad (CDE). The operation of the company was characterized by large energy losses, poor bill collection and deficient operation and maintenance. During the 1990s, the rapid growth in the power sector mirrored the high economic growth experienced by the country. Total electricity demand increased at an annual r...
