For the latest updates and more information, visit our website: <https://www.afasystem.info.pl>

Our solutions utilize the latest technologies, including hybrid inverters, combined with best practices in solar power installation to ensure safe, reliable, and resilient power and storage to ...

In April 2024, a household in Grenada successfully implemented a 20kWh wall battery home energy storage system provided ...

On May 11, 2024, we completed a successful installation of a cutting-edge home solar storage system in Grenada. This project aimed to enhance energy independence and reliability for a ...

The U.S. company will collaborate with Japanese power retailer and aggregator Global Engineering and engineering firm Ene-Vision to build the energy storage facility connected to ...

The Public Utilities Regulatory Commission (PURC) of Grenada is inviting expressions of interest (EOIs) for a renewable energy ...

Gain your Energy Independence! We aim to empower Grenadians to move from energy derived from burning of destructive fossil fuels to renewable energy from sunlight.

In April 2024, a household in Grenada successfully implemented a 20kWh wall battery home energy storage system provided by GSL ENERGY. This system, integrated with ...

The project seeks to integrate three solar photovoltaic generating facilities totalling a 15.1MW capacity and a 10.6MW/21.2MWh ...

The energy regulator of Grenada is seeking expressions of interest (EOI) for a solar or solar-plus-storage
