While other storage projects struggle with the "valley of death" between pilot and scale-up, Grenada's model achieved profitability within 18 months - a first for developing ...

The Public Utilities Regulatory Commission (PURC) of Grenada is inviting expressions of interest (EOIs) for a renewable energy project at the island nation's main ...

The project aims to leverage Grenada's rich renewable energy potential by harnessing the power of the sun to reduce the country's dependence on imported fossil fuels ...

The project seeks to integrate three solar photovoltaic generating facilities totalling a 15.1MW capacity and a 10.6MW/21.2MWh Battery Energy Storage System (BESS), with ...

The energy regulator of Grenada is seeking expressions of interest (EOI) for a solar or solar-plus-storage project at the Caribbean ...

Supported by the Government of Grenada and the Grenada Electricity Services Ltd. (Grenlec), this transformative initiative aims to strengthen energy independence across ...

The Public Utilities Regulatory Commission (PURC) of Grenada is inviting expressions of interest (EOIs) for a renewable energy ...

The Grenada Utilities Regulatory Commission is inviting expressions of interest for a 15.1 MW solar power project at Maurice Bishop International Airport, potentially including ...

The energy regulator of Grenada is seeking expressions of interest (EOI) for a solar or solar-plus-storage
