Does Guatemala City have a container shipping port?

Aiding with this regional significance is Guatemala City's international container shipping port. The port of Guatemala City is able to accept both imports and exports through multiple terminals, with both roll-on/roll-off (RoRo) and container services.

How many containers does Guatemala accept a year?

The port accepts approximately 358,000 containers of various sizes every year. The container cargo that Guatemala handles annually is competitive among other Central American countries. By the number of tons accepted annually, Guatemala is behind only Costa Rica and Panama. The Port of Guatemala City is currently undergoing renovations.
