Santak is an international manufacturer specialized in uninterruptible power supply (UPS) technology. Established in 1984, Santak has been widely recognized by users in various ...

Zener is a top Iranian electronics company specializing in power solutions, sell, purchase uninterruptible power supply, SLA battery and services in Tehran

Uninterruptible power supply system generates input and output three-phase line voltages 220, 380 V AC to power range from 15 up to 60 kVA ...

Uninterruptible power supply system generates input and output three-phase line voltages 220, 380 V AC to power range from 15 up to 60 kVA according to Customer"s request.

Zener is a top Iranian electronics company specializing in power solutions, sell, purchase uninterruptible power supply, SLA battery and services in ...

The SKT stabilizers, from 3 to 450 kVA, belong to the electromechanical series with electronic control. They provide a perfect constant three-phase output voltage completely independent ...

Product Name: Uninterruptible power supply device (UPS) Brand: Product of Iran Electronic Energy Co. active in Electronics and Electrical industry

Castle series Rack type UPS (1~10kVA) Castle 3C series UPS (10~20kVA) 3C3 HD series UPS (20~200kVA) 3C3 HD series UPS (300~600kVA) PT3000 (1-20kVA)

The S1K Series is ideal for point-of-sale and office applications, providing highly affordable protection
