Amman, April 22 (Petra) -- Energy experts have lauded the Cabinet's recent approval of a grid-scale battery energy storage system (BESS) for the National Electric Power ...

This article kinda rubs me the wrong way... basically they are saying that because court personnel don't carry firearms and that there are metal detectors in the city court, that ...

Energy experts have lauded the Cabinet's recent approval of a grid-scale battery energy storage system (BESS) for the National Electric Power Company's transmission ...

While camels and sand make great headlines, the real story is how a resource-limited nation is punching above its weight in energy innovation. From African nations taking ...

Energy Storage Technologies: Jordan is exploring energy storage solutions, particularly pumped-storage hydropower (PSH), with intention to establish a storage project at ...

This project will focus on technical, operational and financial barriers related to the integration of further renewable energy generation into the central power grid.

In this analysis, I delve into the current status of Jordan's renewable energy storage sector, highlight more than five notable projects, and explore the opportunities ahead.

In addition, the Company has 600 MWh of battery energy storage projects in operation and a total battery energy storage project development pipeline of around 56 GWh, including ...

Mayor Robert Correia performs a swearing-in ceremony for seven new police officers at Government Center on Monday. At far right is Iraq war veteran Jordan Silvia. By ...

Jordan Todman, 18, of 59 Maine Ave., a former Dartmouth High School athlete headed to the University of Connecticut on a football scholarship, and his girlfriend, Leah ...

Jordan P. Sandman, 14 Dalton St., is currently being held at Middleton Jail on a probation violation. But Capt. Michael Raiche of the Dover, N.H., police said yesterday he ...

Jordan, 45, is charged with conspiring to sell cocaine, cocaine possession, using a gun in the commission of a drug offense, witness intimidation and giving false information to ...

Re: Burned body removed from scene in Hyannis, identified as a Barnstable High student Cape Cod boy, 13, accused of killing rival brother STEPHAN SAVOIA/THE ...

Eligible list for State Police selection provides details about candidates eligible for recruitment in the state police department.

The use of renewable energy generation (REG) and energy storage systems (ESSs) strategies have a considerable possibility in delivering resilience for renewable energy sources (RESs).

This project involves developing a novel BOO model, which enables the grid operator to flexibly dispatch the electrical storage facility whenever the need arises.
