We offer custom housing solutions that ensure your battery pack fits perfectly within your device, with options for waterproofing, shock resistance, and temperature regulation.

Li-ion battery packs manufactured by Gushine are engineered for a wide range of applications, from handheld terminals and smart hardware to robotics and medical devices. As a full custom ...

Contact us today to get a free, no-obligation quote for your custom battery pack project. Our experts will work with you to develop a tailored solution that fits your budget and technical ...

North Korea LiFePO4 battery pack customization bridges technical excellence with practical needs. Whether for grid stability, renewable integration, or industrial resilience, tailored ...

Your specialist custom lithium-ion battery pack manufacturer. We design and manufacture custom lithium battery packs for diverse industries.

This guide provides step-by-step instructions on how to install your R-BOX-OC outdoor solar battery cabinet, including site selection, assembly, wiring, and system testing. [pdf]

With our expertise, we offer a wide range of solutions using lithium ion 26700, 21700, and 18650 batteries. As a global exporter, we align ourselves with ...

Li-ion battery packs manufactured by Gushine are engineered for a wide range of applications, from handheld terminals and smart hardware to ...

Our multi-protocol BMS provides 3-stage protection (voltage, temperature, current) and allows for real-time
