Who are the London Awning Company?

The London Awning Company offer a shading solution for every area, including residential and commercial awnings, giant parasols, retractable roof fixed structures, garden sails and more. Our products can be complemented with a range of accessories, including side awnings, lighting, wind sensors and heating.

Who are retractable awning suppliers?

retractable awning suppliers. Here at Shade-Space, we are incredibly proud to be specialist retractable awning suppliers. We are quality commercial and residential patio awnings designers, producing the ideal shading solution for your outdoor area.

Why should I buy a London awning?

London awnings protect your purchase with a 5 year guarantee on every purchase. Manufactured in the UK for high quality Italian parts. Built to order in our workshop. Our awnings are made with the best in class parts from Recasens Fabrics to Somfy Motors. You can be sure that you are getting the highest quality, long life retractable awning.

Is shade space a good Awning Company?

We got an awning installed through Shade Space in the summer of 2024. Overall experience was great - right from the initial moment of getting in touch with the shade space team, through discussing and finalising options and eventually through to installation, it was as smooth as we could have hoped. The quality of the awning itself is fantastic.
