What is the Panama free zone?

The Panama Free Zone, also known as the Colon Free Trade Zone (CFZ), is the largest free trade zone in the Americas and the second largest in the world. Situated near the Panama Canal, it plays a crucial role in re-exporting goods to Latin America and the Caribbean.

What is a Colon Free Zone?

No need to incur Travelling Costs and time away from your business. The Colon Free Zone is a free zone that has more than 70 years of experience in world trade, it is the largest area in the Americas and the main container center in Latin America.

What is a solar panels on shipping container?

It not only transports the PV equipment, but can also be deployed on site. It is based on a 10 - 40 foot shipping container. Efficient hydraulics help get the solar panels ready quickly. Due to its construction, our solar panels on shipping container offers unmatched flexibility and maneuverability.

What is a Panama free zone pass?

This pass is granted to visitors of Panamanian nationality from companies established outside the Free Zone area, who wish to purchase products in the Colonense Free Zone.
