Where can I buy used plastic collapsible bulk containers?

Container Essentialshas a large inventory of used plastic collapsible bulk containers for sale. All our used knock down bins have been refurbished and are guaranteed to be fully functional and in good working order. In stock used plastic bulk containers ship within 48 hours after receipt of order.

Why should you invest in a bulk collapsible container?

Eliminate redundant packaging and streamline your operations with a single product designed for both storage and shipping. Investing in our advanced bulk collapsible containers significantly reduces your total shipping costsby removing the need for additional,specialized infrastructure.

What are used collapsible containers?

Used collapsible containers are stackable,and most come with drop doors or access hatches for easy and ergonomic product access. Lids are available upon request. We stock a wide range of used plastic bulk containers in many brands and styles,including Arca,Buckhorn,Orbis,Monoflo,and Ropak.

Do manufacturers offer customisation options for collapsible containers?

Yes,many manufacturers provide customisation choices for collapsible containers,including those for bulk use. You can often have the option to select various sizes,colors,even have your logo printed on them. However,the accessibility of these options can differ from one manufacturer to another and may influence the cost of the containers.

The ergonomically engineered design of these collapsible bulk containers allows operators to use proper body mechanics when loading, unloading, collapsing or erecting.

Instantly compare air, ocean, and trucking freight quotes from 75+ providers with the perfect balance of price and transit time.
