Who makes the best portable storage containers?

Every container is of the highest quality with excellent fit and finish and the customer service from John Cooley is top notch. We love the weather tight swing doors and the heavy-duty latch. Stellar, a division of Universal Storage Containers, is the worldwide leader in portable storage.

What is a mobile storage container?

Mobile storage containers designed to be delivered to homes or businesses and that are built stronger to last longer. The award-winning lineup of relocatable self-storage structures that go up fast, set up anywhere and give you maximum flexibility and ROI.

Are stellar containers a good company?

Stellar Containers did an excellent job coordinating the shipping and delivery of the product. It was a smooth process. The containers fold open and are easy to build with a few simple nuts and bolts (and a construction forklift w/8' forks).

These innovative portable container homes can be set up anywhere in minutes and provide instant shelter. This makes them great for eco-resorts, glamping sites, emergency shelters, ...
