How to choose a solar business franchise?

If you choose to look for a solar dealership opportunities; you need to find a reliable partner. A lot of companies offer their panels for sale with more than 25-year warranty which means little or no maintenance at all. It can help you save on extra expenditures. Another benefit of owning a solar business franchise is quick return on investment.

Are solar energy franchises white-collar?

There are many solar energy franchise opportunities that are white-collar in nature, meaning franchises are only responsible for bringing in the customers, then the corporate office takes it from there. As Arvo Solar states, "As the franchisor, Arvo Solar does all of the heavy lifting!"

How much does it cost to buy a Solar Grid franchise?

To buy a franchise with Solar Grids, you'll need to have at least liquid capital of \$50,000. Franchisees can expect to make a total investment of \$50,000 - \$93,500. They also offer a discount for veterans ( 10% ).

\*What does Liquid Capital mean? What does Total Investment mean?

How has solar energy changed over the last 10 years?

A main factor in the increased use of solar energy is a decrease in cost. Per SEIA, the cost to install solar has decreased by over 60% in the last 10 years, which has made solar prices more competitive with other power generation methods. However, by some estimates, only 1% of the potential solar market has been reached so far.
