Find reliable energy storage 50kw solutions for industrial and commercial needs. Durable, efficient, and customizable systems with advanced battery technology.

Power up remote mine, construction, and industrial sites with our 50KW/75kWh, 3-phase mobile battery storage units (ESU50). Reduce ...

Australian-designed and tested, Battery Box offers silent, zero-emission ...

At Modulate Group, we specialise in designing customised shipping container solutions to support the unique challenges of ...

Buy or hire Container Energy Storage Systems in Australia. New & used, fast delivery, top prices. Get a free quote today.

At Modulate Group, we specialise in designing customised shipping container solutions to support the unique challenges of Australia's energy landscape, from renewable ...

High energy density, with a footprint of only 0.86m². No foundation required, simplifying setup. <65dB, suitable for diverse environments

Building on the SigenStor design concept, SigenStack is tailored for larger C& I projects, combining a hybrid inverter and battery pack BAT 11.0. The ...

AVID GROUP provide a whole range of SPS and Containerised Solar Energy Solutions. AVID's solar design, installation, commissioning and monitoring ...
